I'm for it but defer to the OSC's since they have a better handle on what there addition data needs are. I would think it would be very helpful at our Trinity Cemetery site. I'm ccing Eric Daly on this to get his input.

Thanks for the offer.

Hey Joe- I spoke w/ Kuda and CMAD can conduct a fly over the Niagara sites on the flight from the WINGs exercise back to TX with no cost to the Region.

However the decision will have to be made ASAP. Kuda will reach out to Eric Daly to see if he wants this support.

I'm offering the above info FYI to advise you that Kuda will reach out to your OSC. Any help you could offer to expedite a decision that would be appreciated.

Mike
